MEMORANDUM FOR: CIA Management Committee
Inspector General
Director of Personnel

SUBJECT : Appointment of Senior Personnel to Key
Assignments Outside Their Components

REFERENCE : ES/MC Memo of 22 Mar 73, Subj: Review
of Key Assignments and Appointments

1. At the Management Committee meeting on 18 April it was decided that each Deputy Director would clear with the DDCI and DCI their lists of key personnel assignments and planned appointments.

2. With respect to those officers who have been identified as suitable and qualified for appointment to positions outside their components, the Inspector General will review the responses to this portion of the referenced memorandum and make recommendations on how best to match officers with positions specified as available for qualified officers from other Directorates. The IG will call on the Office of Personnel for such assistance as might be required. These lists may be made available to Deputy Directors for these discussions as needed.

3. The IG recommendations will be coordinated with the Deputy Director from which and to which the individuals are rotated. Decision on differences of opinion will be submitted to the DDCI through the Executive Secretary of the Management Committee.
